Prospective members are invited to join TAG-SP, only after undergoing a comprehensive vetting and selection process. Firms are carefully chosen based on professional competence, commitment to client service, reputation within the professional community, and recommendations from existing members.

“We are delighted to have been nominated to join the TAG-SP group of professionals, particularly as we are one of the first non-legal or accountancy firms,” said Paul Beard Founder and Executive Chairman of Alexander Beard Group. “I believe this recognises our growing reputation in the field of international cross border financial planning and employee benefit services. I am sure that my colleagues Phil Teague and Bram Bogaard, respectively the Managing Directors of our expat and emigration division and our international employee benefit division, will make a great contribution to the group as a whole.”

“Alexander Beard Group is an excellent firm and an important addition for our TAG-SP alliance and the greater TAG Alliances,” said Bob Sattin, President of the TAG Alliances. “The breadth and quality of their services, global reach, and their reputation and prominence in the financial services sector, makes them a valuable resource for our membership.”
