Year ended 31 December 2020

### **Trustee's annual report**

---

#### **Introduction**

The Alexander Beard International Retirement Plan ("the Plan") was established by means of a Trust Instrument dated 24 January 2017. The Trust Instrument is between the Alexander Beard Group of Companies Limited and Zedra Trust Company (Guernsey) Limited.

The Plan has been established to provide retirement and other benefits for and in respect of persons who are or previously were in the service of employers participating in the Plan.

The Plan is a defined contribution scheme.

There are multiple employer schemes within the Plan and other employers are welcome to join the Plan at any point. A breakdown of current employers within the Plan is shown on page 15.

#### **Statement of Investment Principles**

A range of investment portfolios are made available to Members which are chosen by the Sponsor upon the advice of the Investment Advisor and with the consent of the Trustee.

Investment portfolios have been chosen in three currencies (GBP, EUR and USD) each with five risk levels ranging from cautious to adventurous. There is also an age-related risk option, which starts in the most adventurous portfolio and automatically moves down the five risk levels in five year increments from age 45 to the cautious portfolio at age 60. A more cautious starting point is also available to Members. Each investment portfolio is composed of 7-8 passive mutual funds (including cash). The investment portfolios are rebalanced monthly.

The Members select whichever investment portfolio meets their individual needs. The selection of the investment portfolios is entirely at the risk of the Members. The Trustee is not responsible for any losses suffered as a result of the selection.

#### **Directors of the Trustee**

Brian Taylor, Managing Director  
Elaine Graham, Executive Director  
John Hunter, Executive Director  
Nick Slinn, Executive Director  
Alison Parkes, Executive Director (resigned 22 January 2021)

The Board of Directors meets at least four times each year.

#### **Changes to Trust Instrument**

There have been no significant amendments to the Trust Instrument during the year under review.

### Statement of Trustee's Responsibilities for the Financial Statements

---

The financial statements, which are prepared in accordance with the UK Generally Accepted Accounting Practice, including the Financial Reporting Standard applicable in the UK (FRS102) are the responsibility of the trustee. The Trustee is responsible for ensuring, that those financial statements show a true and fair view of the financial transactions of the Plan during the Plan year and of the amount and disposition at the end of the Plan year of its assets and liabilities, other than liabilities to pay pensions and benefits after the end of the Plan year.

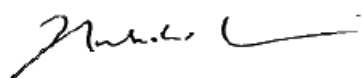

In discharging the above responsibilities, the Trustee is responsible for selecting suitable accounting policies, to be applied consistently, making any estimates and judgments on a prudent and reasonable basis, and for the preparation of the financial statements on a going concern basis unless it is inappropriate to presume that the scheme will not be wound up.

The Trustee is also responsible for making available certain other information about the Plan in the form of an annual report.

The Trustee has a general responsibility for ensuring that adequate accounting records are kept and for taking such steps as are reasonably open to them to safeguard the assets of the scheme and to prevent and detect fraud and other irregularities, including the maintenance of an appropriate system of internal control.

Approved by the Trustees on Nov 20, 2021

### Independent Audit report to the Trustee of the Alexander Beard International Retirement Plan

---

#### Opinion

We have audited the financial statements of the Alexander Beard International Retirement Plan (the 'scheme') for the year ended 31 December 2020 which comprise of the Fund Account, the Statement of Net Assets and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the scheme's affairs as at 31 December 2020 and of the amount and disposition at that date of its assets and liabilities, other than the liabilities to pay pensions and benefits after the end of the year;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Trust Instrument.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the scheme in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

#### Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If,

### Independent Audit report to the Trustee of the Alexander Beard International Retirement Plan

---

based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### Responsibilities of Trustees

As explained more fully in the Trustees' Responsibilities Statement set out on page 6, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the scheme's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the scheme or to cease operations, or have no realistic alternative but to do so.

#### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. Based on our understanding of the Alexander Beard International Retirement Plan, we identified that the principal risks of non-compliance with laws and regulations related to the Non-receipt of contributions from sponsoring employer in accordance with the Schedule of Contributions, UK tax legislation, and we considered the extent to which non-compliance might have a material effect on the financial statements. We also considered those laws and regulations that have a direct impact on the preparation of the financial statements.

We evaluated the trustees' and management's incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls) and determined that the principal risks were related to posting manual journal entries to manipulate financial performance, management bias through judgements and assumptions in significant accounting estimates.

Our audit procedures were designed to respond to those identified risks, including non-compliance with laws and regulations (irregularities) and fraud that are material to the financial statements. Our audit procedures included but were not limited to:

- Discussing with the trustees and management their policies and procedures regarding compliance with laws and regulations;
- Communicating identified laws and regulations throughout our engagement team and remaining alert to any indications of non-compliance throughout our audit; and
- Considering the risk of acts by the company which were contrary to applicable laws and regulations, including fraud.

Our audit procedures in relation to fraud included but were not limited to:

- Making enquiries of the trustees and management on whether they had knowledge of any actual, suspected or alleged fraud;
- Gaining an understanding of the internal controls established to mitigate risks related to fraud;

### Independent Audit report to the Trustee of the Alexander Beard International Retirement Plan

---

- Discussing amongst the engagement team the risks of fraud; and
- Addressing the risks of fraud through management override of controls by performing journal entry testing.

There are inherent limitations in the audit procedures described above and the primary responsibility for the prevention and detection of irregularities including fraud rests with management. As with any audit, there remained a risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal controls.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

#### Use of the audit report

This report is made solely to the scheme's trustees as a body in accordance with the requirements of the Trust Instrument, applicable law and International Standards on Auditing (UK). Our audit work has been undertaken so that we might state to the scheme's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the scheme's trustees as a body for our audit work, for this report, or for the opinions we have formed.

## Notes to the Financial Statements

---

### 1 Basis of preparation

The financial statements have been prepared in accordance with the UK Generally Accepted Accounting Practice, including the Financial Reporting Standard applicable in the UK (FRS102) – The Financial Reporting Standard applicable in the UK and Republic of Ireland issued by the Financial Reporting Council and with the guidance set out in the Statement of Recommended Practice (June 2018).

These financial statements have been prepared on a going concern basis.

#### Accounting policies

The main accounting policies of the Plan are as follows:

- (i) Contributions  
Contributions are accounted for on a cash received basis.
- (ii) Fees  
All fees are accounted for on an accruals basis.
- (iii) Currency  
The Plan presentation currency is Pounds Sterling. The trust bank accounts and accounts held with the Investment Platform Provider are denominated in US Dollars, Euros and Pounds Sterling. Monetary items denominated in foreign currency are translated into Pounds Sterling using the closing exchange rates at the Plan year end.
- (iv) Investments  
The value of units in all of the investment funds used in the portfolios are determined by the value of its underlying assets, which in turn are valued at their fair value.

### 2 Benefit payments and transfers out

Members can take the full value of their account when they reach their scheme retirement age. In addition, members may elect to transfer their account to a comparable retirement plan.

#### 4 Financial Risk disclosures

##### Investment Risk

##### Market Risk

The Market Risk is borne by the Plan's members and not the Trustee, as is common with Defined Contribution pension arrangements. A range of USD, EUR and GBP portfolios of varying risk levels is offered to the Plan's members. The risk levels are largely attributed to the balance of assets, with greater allocations to equity funds in the higher risk portfolios, and more in cash and bonds, in the lower risk portfolios.

##### Currency Risk

Investment portfolios are indirectly exposed to currency risk through their underlying holdings.
