International Benefits B.V.

## **Alexander Beard International Benefits BV (ABIB) open Canadian Office**

We are today pleased to announce the opening of our first office in Canada.

**Alexander Beard International Benefits (Canada) Inc.** will run from Almonte near Ottawa and is a joint venture between ABIB and R. Hooper Benefits, a long established Canadian domestic benefits consultancy.

Ron Hooper will become Managing Director of ABIB Canada, responsible for promoting ABIB's international cross border benefits proposition to existing Hooper clients as well as new Canadian corporates with an international presence as well as delivering domestic Canadian solutions, for existing ABIB and ABG clients, throughout their growing international infrastructure.

### **Ron Hooper commented:**

I look forward to this new venture with ABIB and becoming part of the Alexander Beard Group family! Both our domestic and international clients will benefit from this new venture!

### **ABIB CEO, Bram Bogaard commented:**

With the opening in Canada of our latest ABIB office, we take another valuable step in further expanding our possibilities to serve our clients all around the world. Continuing our twin track approach of combining a service minded approach to both our clients and our international business partners.

### **Editors' note:**

ABIB are part of the UK headquartered Alexander Beard Group, founded in 1987 by the current Executive Chairman, Paul Beard. It has 3 UK wealth management and EB offices as well as a City of London office for subsidiary **Chilton Beard Limited**, a Lloyds broking business launched earlier this year.

ABG also has offices in wealth management and EB offices in the Netherlands, France, South Africa, Australia and the USA.
